The licensee may import and or tranship fresh fruits and vegetables subject to the following conditions:

1. The licensee must obtain a permit from the Director-General, Agri-Food and Veterinary Services for the import of each consignment of fresh fruits and vegetables.
2. The import or transshipment of fresh fruits and vegetables is subject to the provisions as stated in the Control of Plants (Import & Transshipment of fresh fruits and vegetables) Rules and to any additional conditions as imposed by the Director-General, Agri-Food and Veterinary Services.
3. The Director-General, Agri-Food and Veterinary Services may restrict or prohibit the import or transshipment of any fresh fruits and vegetables from any country, territory, place or farm.
4. Fresh fruits and vegetables imported must not contain levels of pesticide residue or toxic chemical residue exceeding those prescribed under rule 9 of the Control of Plants (Import & Transshipment of fresh fruits and vegetables) Rules.
5. At the time of import, the container (including any basket, carton, bag, box, packet or other receptacle) which contains the fresh fruits and vegetables must bear the name and address of their producer and such other particulars as may be required by the Director-General, Agri-Food and Veterinary Services.
6. All consignment of fresh fruits and vegetables are required to be stored in a coldroom licensed or warehouse registered with AVA.
7. When any of the particulars of the company have been changed, the licensee shall inform the Agri-Food and Veterinary Authority within 14 days.
8. The licensee must maintain a GIRO account with AVA for the payment of annual licence fee and permit fees. Please note that before GIRO account with AVA is established, permit applications will only be approved after payment for the permit fee is made.
9. The Director-General, Agri-Food and Veterinary Services may at any time vary or revoke of the existing conditions or impose new conditions.
10. This licence may be suspended or revoked if the above conditions are not complied with or an offence is committed under the Control of Plants Act or any rules under the Act.
