## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

### GENERAL MANDATE TO ISSUE AND REPURCHASE SHARES

On 30 August 2017, an ordinary resolution was passed by the Shareholders granting the general mandates to the Directors to issue and repurchase Shares. Such mandates will lapse at (i) the conclusion of the AGM; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the memorandum of association of the Company and Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first. Resolutions will therefore be proposed at the AGM to renew the grant of these general mandates.

An ordinary resolution will be proposed at the AGM in relation to the granting of a general and unconditional Issue Mandate to the Directors to exercise the power of the Company, to allot, issue and otherwise deal with additional Shares of not exceeding 20% of the aggregate number of issued Shares as at the date of passing the resolution provided that if any subsequent consolidation or subdivision of Shares is effected, the maximum number of Shares that may be issued pursuant to the relevant resolution as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same and such maximum number of Shares shall be adjusted accordingly, for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the memorandum of association of the Company and Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, the Company has 600,000,000 Shares in issue. Subject to the passing of the resolutions for the approval of the Issue Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Issue Mandate to allot, issue and deal with, a maximum of 120,000,000 Shares.

the Company is required by the memorandum of association of the Company and Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first. The GEM Listing Rules contain a provision to regulate the repurchase by companies with a primary listing on GEM of their own shares. In accordance with Rule 13.08 of the GEM Listing Rules, this circular contains an explanatory statement as set out in Appendix I to provide the Shareholders with the requisite information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate. For the purpose of this circular, the term “Shares” shall have the meaning ascribed thereto under the Takeovers Code which means Share of all classes and securities which carry a right to subscribe to purchase Shares.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 60,000,000 Shares.

An ordinary resolution will also be proposed at the AGM in relation to the extension of the general mandate to be granted to the Directors to allot, issue, and otherwise deal with additional Shares under the Issue Mandate by adding to it the number of shares of the Company repurchased under the Repurchase Mandate, if any. The Directors have no present intention to fully exercise the Issue Mandate or the Repurchase Mandate for issuing and repurchasing the Shares respectively.

The full text of these resolutions are set out as ordinary resolutions numbers 5 to 7 in the notice of AGM on pages 17 to 21 of this circular.

### RECOMMENDATION

Yours faithfully,  
For and on behalf of the Board  
**Cool Link (Holdings) Limited**  
**Tan Seow Gee**  
*Chairman and Executive Director*

This explanatory statement relates to the resolution proposed to be passed at the AGM authorising the grant of the Repurchase Mandate. It contains all the information under Rule 13.08 of the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against such ordinary resolution.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the number of Shares in issue was 600,000,000 Shares.

Subject to the passing of the resolution (the “Resolution”) to approve the Repurchase Mandate and on the basis that no Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing of the Resolution, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 60,000,000 Shares (representing 10% of the total number of issued Shares as at the date of passing of the Resolution).

### **2. REASONS FOR SHARE REPURCHASE**

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and/or earnings per Share.

### **3. FUNDING OF REPURCHASES**

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company’s available cash flow or working capital facilities. Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the memorandum of association of the Company and Articles of Association and the applicable laws of the Cayman Islands. Shares may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purposes of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the Company’s share premium account before or at the time the shares are repurchased. The Company may not purchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

**4. GENERAL**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company's audited financial statements contained in the 2018 Annual Report) in the event that the Repurchase Mandate was to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**5. DISCLOSURE OF INTERESTS**

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), have any present intention, if the Repurchase Mandate is to be exercised, to sell any Shares to the Group.

No core connected persons (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to sell any Shares to the Company, in the event that the Repurchase Mandate is exercised.

**6. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

## 7. SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM during the each of the previous twelve months preceding the Latest Practicable Date were as follows:

## 8. CONSEQUENCES UNDER THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

If the Repurchase Mandate were exercised in full, the shareholding percentage of the substantial Shareholders (as defined under the GEM Listing Rules) (based on the number of Shares they held as at the Latest Practicable Date) before and after such repurchase would be as follows:

Substantial Shareholders	Capacity/Nature of interest	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is fully exercised
Packman Global Holdings Limited (“Packman Global”)	Beneficial owner	302,000,000	50.33%	55.93%

Ms. Zhang Yan	Beneficial owner	35,950,000	5.99%	6.66%

*Notes:*

- (1) The entire issued share capital of Packman Global is legally and beneficially owned as to approximately 33.3% by Mr. D Tan, Mr. R Gay and Mr. M Tan respectively. Accordingly, Mr. D Tan, Mr. R Gay and Mr. M Tan are deemed to be interested in 302,000,000 Shares held by Packman Global by virtue of the SFO. Mr. D Tan and Mr. R Gay are executive Directors while Mr. M Tan is one of the senior management. Mr. D Tan, Mr. R Gay and Mr. M Tan are persons acting in concert and accordingly each of them is deemed to be interested in the Shares held by the others. Mr. D Tan, Mr. M Tan and Mr. R Gay have confirmed that during the year ended 31 December 2018 and up to the date of this circular, they have been and will be acting in concert and voted and will vote in unanimous manner on any resolution in respect of the management, development and operations of the Group's operations.

- (4) Ms. Chen Feiping is the spouse of Mr. M Tan and is therefore deemed to be interested in all the Shares that Mr. M Tan is interested in by virtue of SFO.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under rule 26 or rule 32 of the Takeovers Code.

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of Shares in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the GEM Listing Rules.
